Steve,

Attached is our request to the Division of Oil, Gas, and Mining for a surety reduction of the reclamation bond for the Deer Creek Mine. The reduction equals \$739,000 which reduces the bond from \$4,113,000 to it newly approved amount of \$3,374,000. Please accept and authorize this request for a surety reduction so that we may move forward with this action.

Sincerely,

Dennis Oakley
